

The Sum of Whats Left Behind: A Collection of Pieces Off My Floor (Paperback)

By Daniel L Winer

Winer Productions, United States, 2016. Paperback. Condition: New. Language: English. Brand new Book. Unlike many poets, and lyricist but also like them all. Daniel Winer puts together the words he has found into a collection of short poems that help us look at parts of life in an understanding and understandable way. The words though simple explain his life and life journeys many of our souls take, even if we never know it. The sum of whats left behind is exactly that. What is left on paper after thirty years of life, from pity, to love, learning what life is to mean this is a small pile of dust from Daniels mind that is swept up and put on our table like a feast for our spirit.
